### SKILLED TRADES/Crafts

STYBERG

### TOOL AND DIE MAKER

#### Job Description:

Local Racine manufacturer is looking for an experienced, State Indentured Tool and Die Maker or equivalent, to work in a Union environment.

- Experience in stamping and forming dies
- Ability to read part prints
- Ability to use measuring instruments
- Ability to make, repair or modify dies
- Ability to set up and run conventional or CNC machines such as lathes, mills and grinders to shape parts to prescribed dimensions and finishes
- Ability to troubleshoot dies
- Ability to stand for an eight hour day
- Ability to work independently or as a team
- Ability to communicate clearly and concisely
- Be a State Indentured Tool and Die Maker or equivalent

Position is on 1st shift for the first 3 months, after 3 months it may transfer to an off shift. Starting hourly rate is \$22 - \$23 per hour. Extensive benefits package is available.
